- Uintah Basin Technical College - Roosevelt

TRANSCRIPT INFORMATION

The Utah System of Higher Education is comprised of eight public universities and eight technical colleges and governed by the Utah Board of Higher Education. The Utah State Legislature founded Bridgerland in September of 1971.

Bridgerland Technical College instructional programs are typically offered in an open-entry/open-exit environment and are competency based. This means program enrollment and completion dates are flexible and designed to meet individual student needs. Students are able to progress through instructional programs as skills and competencies are mastered. Instructors monitor completion time and evaluate student performance.

Certificates
Bridgerland offers a Certificate credential program completion directly related to preparing individuals for entry-level employment in current or emerging occupations.

TRANSCRIPT GPA SCALE

Grade Point Average is calculated on Graded Coursework only, and is weighted by the number of Clock/Credit Hours for each course according to the following values: A (or 4) 4.0, A- 3.7, B+ 3.3, B (or 3) 3.0, B- 2.7, C+ 2.3, C (or 2) 2.0, C- 1.7, D (or 1) 1.0, D- 0.7, F (or 0) 0.0 (n/a -letter grade not applicable.)
